Harold Heidenreich Education Chairman edu@gclalocksmiths.org

I hope everyone had a good holiday. Our holiday dinner was a success. I wish to thank Harold Heidenreich for getting the Hall and arranging the dinner menu. We had a good turn out even better than last years.

This upcoming year we are looking to add more classes, and not just Auto Transponder classes. We will be adding a few safe classes, Life safety, Master Keying class and some members were asking about having a Interchangeable Core class we will be working on an outline of upcoming classes.

I am asking if any member or members would like to volunteer to help Harold with Education. This association has a lot of members but not a lot support from our membership when it comes to volunteering on committees it seem like it the same people doing everything all of the time. I am tired of hearing everyone saying they are busy and don't have the time. Here is a news flash MEMBERS everyone is busy everyone is either a shop owner or an employee.
