

KEYN

TER

Serving the Locksmiths' of the Midwest Since 1956

General Meeting March 6th starting at 7:00 pm

General Meeting we will have Simplex servicing Seminar

Please try to bring your own hand tools

You will learn how to program and to reset an unknown combination chamber by taking the chamber apart. You will learn how to install knob return spring and clutch the two common problems with this lock. We will have different models on hand to view and work on.

******* SAFE LOCK SAFE MANIPULATION CLASS *******

Was a success

We will be having another safe lock Manipulation class may turn into 2 or 3 days more
All locksmith who were at the class will need to bring book and dial mount to next class

CLARK SECURITY PRODUCT EXPO PAGE 3.

Sergeant at Arms - John Garstki

Again I ask if any members who wish to bring there safe to our upcoming Safe penetration class please contact the board during one of the meetings So we can decide the best course on getting the safe to the building.

You may email any of the officers on questions about the safes.

We now have 5 or 6 safe that have to be opened. We also have a Cannon ball safe on hand and we will be showing members how to open.

To all members who wish to bring a safe you will be require to also be able to take it back with you after the class, unless arrangements to use safe in another up coming safe class that will have to be decide by GCLA Board, the GCLA does not have the ability to store safes.

Larry Hughes

Vice President
